

**JSOC Joint Service presents  
CREW APPLICATION**

**SECURITY**

As Jsoc security member you are responsible for the safety of our guests who join our events or the events who are hosted by the community. Can you handle this task?

***You are living in the following timezones?***

PST: Pacific standard time, CDT: Central daylight time & EST : Eastern standard time

***Your Profile***

- You are 18 years or older
- You speak English
- You master a second language ( It's a Plus )
- Focusing on self improvement
- You have a hands on mentality
- Love thinking outside the box
- Standing behind the jsoc values

***Bootcamp***

Before joining the crew you will go through bootcamp. At bootcamp you will learn the basics, like formations, call outs, etc. When you pass bootcamp you will join one of the squads. And that will also be the moment when the security training starts. You also will be joining the events with your squad and start gaining field experience.

***The value you get***

As a JSOC Security member you constantly gain new knowledge and experiences. In this way you push your mental boundaries, you learn to trust yourself, You develop an eye for your environment and discover that being independent is not the same as wanting to do everything alone. You also experience what true brotherhood is, how to deal with different people. A career at JSOC changes you and makes you stronger as a person.
